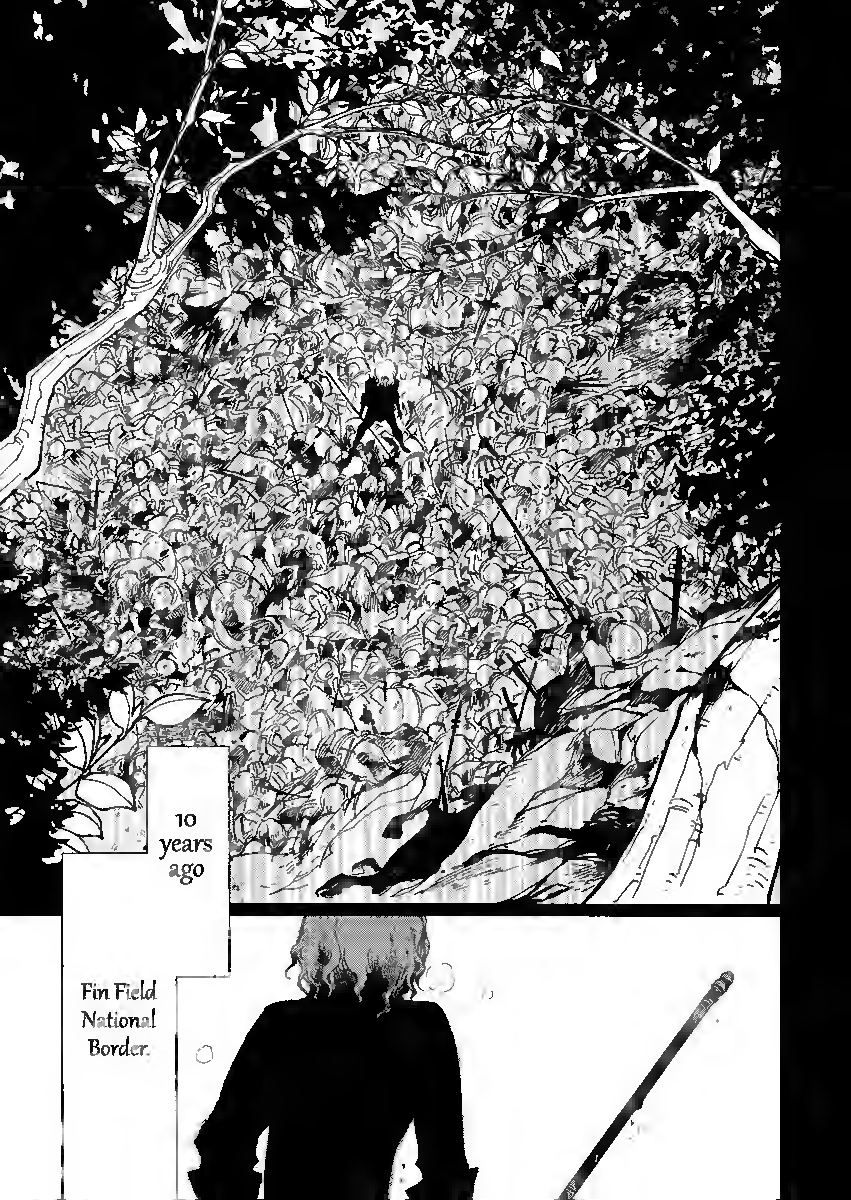
Chapter 6

HAA...
HAA...
HAA...



10 years ago
Fin Field National Border.

Our army had heard about the destruction and rushed to take a look...
Standing there was a single child.
What kind of person would do this?
That is...
We saw that horrifying scene... and wondered of the future of Field.
Moreover, it is said that child caused 300 of our soldiers to be in such a state...
Of the soldiers that barely survived, every single one of them had said:
THAT WAS NOT A HUMAN.

IT WAS LIKE...
YES IT WAS LIKE THAT!
A BEAST!!
THAT WAS... THE FACE OF ONE WHOSE VERY BEING ENJOYS HUNTING LIFE...!!
WITH HIS FACE COVERED IN BLOOD, HE LAUGHED AS HE RAN THROUGH US.
A BLACK BEAST!!
All those at Fin Field...
Knew of that terrible creature.
...I see.

Those guys have already experienced the Nera Torarudo.
Eh ?
We will withdraw from this battle for now...
!
Look at them
ALTHOUGH OUR 300 MAN VANGUARD WAS DESTROYED, THERE'S STILL OUR 500 MAN REAR GUARD...
BUT GENERAL,
They have heard about the black-clothed beast that single handedly took the lives of 300 men...
and came to believe that the Nero Torarudo is sent by the war goddess herself - to Fin Field
...."Black Chariot"
T/N: Nero Torarudo= Black chariot
Its sole purpose is to slaughter and kill.
There is no need for any additional meaning
This makes it invincible, invulnerable.
Nobody can stop it.

THIS MONSTROSITY...
HAA...
HAA...
WHO ON EARTH WILL BE ABLE TO FIGHT IT?
With this,
they have defined their territory

There-
after,
There were no large disputes within the vicinity of the Fin Field Border
None? Not even one?
There were none
At least there were none resulting in such a high number of deaths
どん。
Here are all the official records about the "Nero Torarudo."

I have wark to da, so here
.....
Can I read all of this?!
Hmm
What am I supposed to da with all this ?
At any rate...
Isn't this too many records for the last ten years?
Come to think of it...
Aren t these the complete works of the Fin Field Legend?
Paru-teen!
I m sorry but put away these books about the legend!
There is na way I can read all of this.

Is it really all right for me to put those away?
Even though they're about the Legend of Dante at Fin Field...?
There's no point if I can't finish reading them.
I see
That is a perfectly rational conclusion.
I'll put them away
There you go.
3 books.
Well...
If they are records from ten years ago...
They will do...
Compared to the other stack...
By the way...

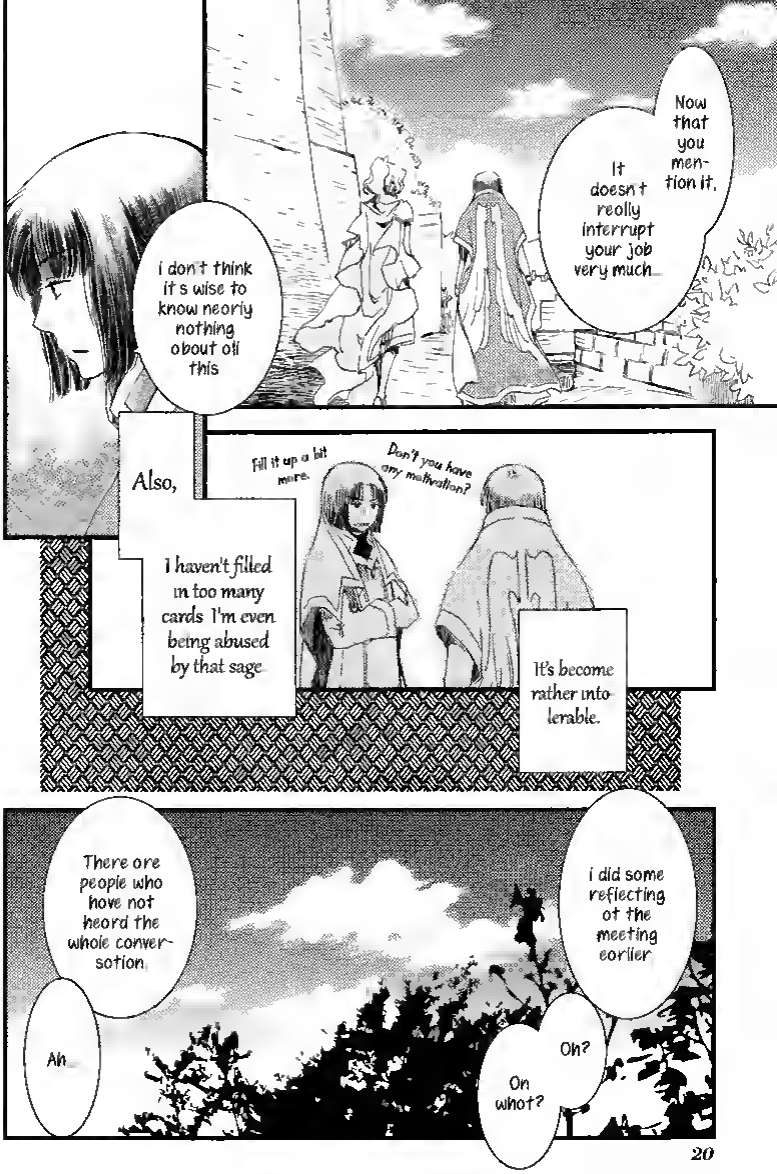
Hm?
Why are you suddenly interested in this?
"The oracle will not interfere in military affairs"
Haven't you heard this?
Ah...
No need to worry.
I was neither planning to interfere with nor investigate the military.
.....
Is that so?
If that's case, it's all right then I guess

All right.
Then...
As of now, there are no particularly problematic areas
It seems so.
There are no sudden movements at the borders either. It is peaceful
Even on patrol there's nothing alarming. It's clear
Hey, hey! Even now aren't there things you need to be doing?!
Whatever needs to be done, will be done. Don't worry about it!
You too, Angel
Yeah.
Of course
Isn't there anything special today?
Oh?
How rare—
How Rude.

It's not like I vehemently oppose it.
I understand!
It's because if Angel doesn't say it for us, we'll all be scolded by Senator Jii-sama
.....
But he's too strict!
Even if we implore the Senator, nothing will happen if he's listening to what Reguno says
Thot is...
OKAY!
STOP--
THAT'S ENOUGH, THAT'S ENOUGH!!
It's over!
The meeting is over!
Hey! You're just selfishly sending everyone away!
It's fine though right? We're already done anyways!

.....
Angel!
Do you have a minute?
..Right now?
IT'S ABOUT DANTE.

I heard from Paruteen
He said you're investigating it...
The "Nero Torarudo"
Ah...
Sorry about that
I've made trouble for you
Not really... I don't think that's the case.
But you're looking into it, right?
Because I asked
Well...
Certainly it was you who started it...
But there are also other reasons in addition to what you said
There's no need for you to apologize



Now that you mention it,
It doesn't really interrupt your job very much.
I don't think it's wise to know nearly nothing about all this
Also,
I haven't filled in too many cards. I'm even being abused by that sage.
Fill it up a bit more.
Don't you have any motivation?
It's become rather intolerable.
There are people who have not heard the whole conversation.
I did some reflecting at the meeting earlier.
Ah...
Oh?
On what?

But,
is thot
airight?
Whot
is?
"Military
Non-invol-
vement"
Orocies
should never
concern
themselves
with the
military
Isn't
thot the
decloration
of the
Senate?
I wos taid
the some by
Paruteen...
Is this
something
to worry
obout?
Of
course
it is
Even though we
communicate
with you, do
you ever think
ta communicate
with us?
!?
...i hoven't
heord
obout
thot
decio-
rotion.
Eh.
That's
why I
said...
"Is that
okay?"
It's not
obout
whether
it's okay
or not
okay...

I am clearly being told not to stick my neck into the military...
And now, it seems that I am not even allowed to open my mouth?
Hmm...
This is... If I look into your brother's name, or if I am even just thinking to have a conversation,
Is this really the kind of thing where I have to ask "Is it all right?"
Now, now...
Don't brush it aside!
...But really, Angel...
Until now, things about the military have gone by unnoticed...
Even you are probably aware of this, no?
That is...
Because of that,

I think...
That this situation is normal
You are still...
Obsessed because of the things with Kian-sama, right?

Look, Reguna.
Can you see it?
You...
You must not become like that.
.....
...No.

In my case...
I had already planned to move on from that situation with my father...
If that was what made you worried, you don't have to pay any attention to it
I apalagize...
That is...
Uhhh...
No
So it's like that, huh...
It's nothing really...
IRRITATED
Hey
Why are you angry ?
I'm not...
Uh-ah...

It can't be helped
Here, you can have these candies that I bought. Then your mood will...
THAT'S NOT IT!!
.....
But...
I think they're really good.
↑ Forced to hold them
What?
Ah, it wasn't what I said about the candy?
It's because of what you were saying earlier about non-intervention.
.....
He thought it was about candy...
Angel, I think it's right for you to look further into the military's ways
It's strange that the person closest to his majesty doesn't know about the Nero Torarudo.
You should discuss this some more with all the members of the council.

Aren't you pleased that I didn't know your brother's other name?
It's not like that.
It's a very serious issue.
Even if there is non-intervention isn't it good for you to know the level of information that every citizen knows?
Also, to be shut out...
Something like that is wrong, after all.
Lante.
Yes?
Why..
Why was my father killed?
You'll tell me everything, won't you?

Of course,
Reguna.

Arrosumente

After my father died..
The one who took care of me was Senator Deberto.
Are you alright, Reguna?

Perhaps it was because I have heard that so many times,
That I now know how to avoid making a strange face and making him worry.
I'm alright
Because Senator Deberto and everyone have been very kind to me...
I have come to understand much of my father's work.
.....
No...
That's not what I meant..
Hmm...
No that's...
Well. If there's nothing wrong, then that's good

That is...
Whether you were still feeling sad...
Is what I meant
Um...
Of course those feelings are there, but...
His Majesty is also having troubled thoughts right now...
I must put aside my sadness so that I can help him
I see...
Now that I think about it...
Deberto was likely drawn out of a lottery or something
If you are tired, make sure to rest properly
Yes, of course
If there is anything you need, tell me right away.
Yes
In the Senate, he and my father were probably only on a last name basis
My care must have been imposed on him

I meant to give this to you
I nearly forgot
Oh right
Deberto ...
This is...?
I'm sorry
.....

Actually, I wanted to return to you the wings on his back
But they're not exactly in good condition...
It was all I could do to collect these fragments...
There weren't really enough pieces
I attached those that I collected and polished them
Can you use it?
...Fragments
Ah...

I see.
It broke, didn't it...?
Kian-sama...
When he was the Oracle, he overstepped into the knights domain.
"Because of that he was disposed of."
Everyone within the castle has heard the rumors.
So, of course I also know of it.

That's right..
I have also heard it
The person closest to his majesty The person closest to God as well.
Because of this, they must be the farthest from power.
That is the person called the Oracle.
Why do you say it like that?
If you think like that, then you're saying it is some terribly difficult thing.
What is?
But
You are able to hear God's voice
Moreover, you are the one closest to the King, right?
Even if you want to be friends with that person.
If you say it like that it'll be impossible
If all the world's Oracles looked as surly as Angel It would be okay!!
Right?!

It's easy to become a tragedy even if you already understand the system
Although I dislike tragic things
It will be a classic historical tragedy!
Yes the same story
Because it's like that the story of the Oracle who destroyed himself will be all over the place
...Right?! ?
Why is it, I wonder? It's making me really irritated
Things like nobody is forced to change
Those sure are strange stories
That's
Probably because there are many loyal, dutiful oracles
If you properly fulfill your responsibilities you won't become such a tragedy
Eh?
And then?
.....
Well I guess that's it

Given that classical tragic story intervening in the military...
For what reason do you think I should continue?
You're scheming something right?
You confessed so earlier.
What scheming?
That was only my honest wish!
So there is something after all?
ALTHOUGH YOU TOLD ME THAT NEGATIVE STORY IN THE FIRST PLACE...
ANYWAY, WHAT IS THIS YOU HAVE?!
It's not a negative story at all
I think you should continue because if it's you, then it's all right

It's all right?
What is?
Look.
Everyone is really worried about it.
"Is it possible that you will become like Kian-sama?"
!
But I think that you are different from Kian-Sama.
Even though everyone is worried about it.
I am not worried
I have a ton of confidence
That's because...

I...
When it comes to Kian-sama.
I REALLY HATED HIM.
So
"The Fool" is it?

So that guy is not the white horse of "The Chariot" ?
My feelings changed
Lante is zero
Zero?
What's your basis for that?
Because of that and because I don't know what he is thinking Lante is zero
That's how it is written in the book.
Because zero is composed of everything and also composed of nothing
.....

If the theory came through from within you it's probably okay?
*What he really means "I don't get it."
So now you've employed a method based on numbers...
It is not the case that these other numbers can also be idly rejected
Use them well.
Numbers?
Head...?
In that case why has "The Chariot" become number 7?
The number of wheels and headcount have been added?
I have never heard that explanation before...
That's a strange answer... If you go that far, you get a new interpretation I guess
.....
That meaning is pretty amazing
1
3
13

Odd numbers fall down easily and aren't stable Even numbers are stable and so it is difficult to move them
There is even and odd
Within the numbers.
In this way if there is no "motion" then "stillness" does not exist.
By the same theory, if there is no shadow then light cannot be recognized
There is a process by which instability makes stability
And a process by which stability becomes instability.
In this way, odd and even go on repeating forever.

Even if it is just like stability and instability depending on the number there is a difference
Even though 2 4 6 8 are even numbers
For example 6 is 2 times 3 or 3 times 2 and so it is comprised of an odd number
This even number is formed by two connected unstable 3s, and when you separate them, they have anxiety at the unknown...
Number 6, "The Lovers" is this sort of card.
...You can think of it like that?
Of course there are multiple ways of thinking about it.
It's not as if there is only one way to approach this nor is this the only path

If I can, that's something I want to avoid
It doesn't feel as though there's a solution
Perhaps so...
It's fine to do as you like
Even without all the information there are still those who can reach the correct answer...
There is only one truth
And that truth is always within the reality right before your eyes
I can only lead you to it
Although...

it is very rare to hit upon the truth without this knowledge.
A hard-headed guy like you can probably fake it.
An absolute impossibility such as that... do you expect it to happen?
THIS...
EVERY SINGLE ONE OF THEM...!!
"HARD-HEADED, HARD HEADED" IT'S SO ANNOYING!!
EVEN IF YOU DON'T SAY THAT, I'M PERFECTLY AWARE OF IT!!!
Modesty is an amazing thing.
But really
That is a redeeming feature.
Use it well.

Jeez...
Every single one of them!!
In my case...
That hard-headedness of Angel's...
I...
really like it...
That is...
Why are you making a speech with that face...?
Ahh,
But a long time ago I really hated it!
Ah ha ha!
Reguna is confused!

That is.
With that face
I didn't know that was the case...
But...
Angel isn't like Kion-sama, are you?
What a loss. Just because of a bad first impression
Reguna is really confused!!!
... Loss ?
Among the knights, Kion-sama has a terrible reputation.
As for me, I do not display my hatred of Kion-sama.
...He is hated that much?
Well you don't want to say bad things about a deceased person.
And in my case, it's also because I know that Angel respects Kion-sama.

You don't know the reason why anyone would want to kill him.
But Angel, you probably already knew that?
About this person that you loved and respected
But you have evidence.
Even though I told you I hated Kian-sama,
You weren't surprised by that.
In this country those types of feelings are everywhere
You probably know that most of all.
Can you see it?
You...
You must not become like that...
I...

I had always thought that I wanted to be like my father
But the people around me say these things...
"Your father was an amazing person. However, you must not become like that."
That's right...
The meaning of "become like that"...
I still don't understand.
The father that I knew...
Was calm, kind, and absolutely not a person that anyone would want to kill.

How-ever...
I also was aware that...
he had faces I did not know.
And the "become like that"
Is also pointing toward this
The Kian-sama I know is...
Smart and cold
Other than his majesty, he thought that the rest of the people in this country are all tools
He was that kind of person
Surely... This is different from the Kian-sama that Angel knows, right?

Angel does not know our Kian-sama.
And we do not know Angel's Kian-sama.
But many of the Knights are seeing that Kian-sama superimposed on you.
And...
The only one who can correct this
Won't show his face to the knights
Now,
what do you think of this?

Well...
Even if you say that...
Is it all right? What I said
That the Kian-sama that we know,
Is such a person that even if someone were to kill him, it would not be so strange?
Is it alright if you do not correct this?
That even with regards to Kian-sama's ghost, although we don't know everything we are still doing as we please?
Is it okay to let that go?
Is...
That what you hope for?

.. I said it didn't!?
I am very interested,
In things related to Angel
Love You!
...
I love everything about you
No way!
"You're my stone head" right?
To say it more accurately
In my case
Angel
That's why, in this situation where you are misunderstood by everyone I honestly don't feel good about it
Because I love this country
And I love the current council

This is my first time hearing that
How can that be?
It must be a lie
You know
"Lante" it's the name of Fin Field's goddess of love.
You didn't know?
Oh?
I didn't know you were this much of a philanthropist.
sarcasm
Well anyway, things like that-
As far as I am concerned, it's nothing for Angel!
Right?!
I want to exterminate and set free the ghost of Kian-sama.
What do you think? It's a good story right?
... "Good story" ... Perhaps.
When I speak with this guy I get this feeling...
But it's still shady at the same time!!
And there are two of them!

In short, it's a story about breaking the rules.
Rules
It is an "I must not become like my father" rule.
He says...
That it's alright.
That he wants to solve the misunderstanding.
And if it were that simple, it would be out of courtesy...
.....
It can't be
That's why he said it. That sage guy...
In any case...
Use it well.

For the trial,
If you don't know people, you can't solve it.
For the sake of knowing
Even if "Intervention" is not allowed, I will have to come into contact with people in the military.
The "Truth"
Is on the other side of the rules?
Suddenly at that time..
The time when I dragged the table out
That scream-like noise..
I feel like it was audible

How about it? Reguna
Will you..
Exterminate ghosts with me?
So did you decide...

第8話

...To break the rules?
If I don't break them, I probably can't complete the ritual!
I must learn more...
You made it this way
You're the one who said to bring out the table.
I KNOW THAT!!
Is that so?
...In that case,
It's alright then.

第8話

According to Lante,
Among the knights is a "ghost" of my father
Your father's spirit?
This must be another strange story that he created
.....
The "ghost" he speaks of is more like the stories being told on my father's memory
It's not as though my father's spirit is actually wandering around
It's just a metaphorical expression

So it couldn't really be a spirit?
Only a metaphor, eh...?
If I was still a child,
perhaps that would make me happy.
Even if it was a ghost, I wouldn't care.
If only I was allowed to see him again...
But that's not the case now.

...
That's...
It's not because you grew up
After you heard about your father's story from that knight...
Wouldn't meeting him be frightening?
THE KIAN-SAMA I KNEW,
WAS SMART...
AND COLD.

He regarded everyone in the country, except his majesty, as a tool.
Father was
Kind to me.
No matter what anyone says, that is an undeniable fact.
A Calm person.
That's what kind of person he was...
Definitely.

When...
At that time,
The one holding my hand,
No... I can't say "definitely" ...
Was not my father.

Anyhow...
I wasn't alone...
So it's all good.
I...
I see...
That is likely the reason why I have the same appearance as you.
It would be good if you ask someone who knows the answer about that.
...What do you mean?
.....

DAMN IT!
IF YOU DON'T FEEL LIKE TELLING ME, I JUST KEEP REPEATING MYSELF!!
IT'S OBNOXIOUS !!
In your case,
Sometimes you ask for answers that I too, do not have
You need to study
Nng...
THAT'S REALLY OBNOXIOUS !!!
fwump

.....
THERE MUST BE LIMITS...
TO HOW OBNOXIOUS ONE CAN BE...!!!

Thank you for waiting.
These are the books about the Sage's appearance.
The one who knows the answer.
Paru-teen.
That...
I'm sorry, but I'll say the same thing every time.
If you keep bringing me so many books... then there's no point. I can't read all that... really, this is...
You can't read these?
Why? None of those books are in the ancient language so you should be able to read them.
...That's not what I mean...

……
Anyway, if it's only the information in your head, that's fine.
Can't you simply explain it to me orally?
…Is it alright to do only that much?
Even though you would get a deeper and broader understanding if you read the books?
…Not really
Then for now "that much" is good enough.
……
Then
With the promise that you will read and understand the rest of the information at a later date,
For now, I will explain it in simple terms.
……
Will I actually read it...

In the first place.
A dream is the manifestation of a person's psyche.
The "Aruosumente" is no exception.
The sage's appearance is derived from the heart of the one who experiences the dream.
The sage from the heart
.....
I've heard that phrase somewhere.
That's right.
We spoke about it before.
You're distracted.
Ah...
Refer to volume 1.
We're getting off track.
Ehe Ehe

That was...
I had already summarized the requested information in order to give it to you
But since you never asked me, I never did in the end.
Ah
Is that so
The word "Sage"...
What kind of image do you have of it?
First of all,
I see.
A wise image, right!
Yes, like that.
Uh-huh
"Wise" ...?
In other words, what does "Wisdom" mean? ...Kind of like that.
From your perspective, what does "wise" mean?
Moving on,
.....

Hmm
It means intelligent, I guess.
Intelligent?
So you say it's the amount of knowledge someone has?
What about decisiveness?
Depending on the person, the definition is different.
Ah... I see.
If you think like that...
Hm...
So then...
From my perspective, "Wisdom" is...

It's probably
Something that "can never be wrong"...
So you are trying to say...
That the "Sage" is expressing this image...?
Indeed...
Probably when you hold the Aruosumente ritual
The dream sage embodies that "can never be wrong" mentality that you think of.

I see. That's
..What's wrong?
No... It's nothing..
It's that sort of thing.
I...
It was an existence born out of my own self-confidence...?
It's like what Lante pointed out before..
You... really...
Are like your nickname.
Incidentally
I don't know if this is useful or not, but...

The appearance of the "Sage" character
In most cases, is placed as Card 8 "Force".
But not always.
.....
"Force"
Does not only refer to physical power.
The power of persuasion is also "Force"
People think that a "wise person" is someone who is most likely obediently listened to.
Because of that,
The "Sage" is recognized as the dream lord.
There is a high possibility that person is the "Force" of that world

THE "SAGE" IS NUMBER 8?!
Because of that
It does not necessary have to be a human to wisely persuade someone
The possibility is high
Hello
Is Paris here?
What's this?
What a coincidence!
I needed to talk to Angel as well
This saves time. Good, good
What do you want?
Right now we're in the middle of an important conversation...
Ah, Here!

Here it is
This is the case Paris asked for
The title is difficult and he can't read it
He said a squad saw it at a market in Yor Harbor
Are you familiar with it?
..So.
The important conversation?
Obviously.
We already finished
EH?!
WAIT A SECOND !!
WE WERE STILL TALKING !
Then do you mind if I borrow Angel?
It's not a problem
WHAT ?!
Okay then let's go Angel!
PARTEEN !!
Obvious
默

PA-...
It's okay We'll be done soon
We just need to go to the laboratory for a little bit
LABORATORY ?!
WHAT ARE WE...
I heard from His Majesty that Angel is free today
THAT'S NOT AN ANSWER !!
But
Hey
The Emperor's Games...
They're next month right?
Huh?
What's that?
Ah
I see...

It's an event for the knights.
So Angel doesn't know about it.
Well, it's like a festival.
You can see the results of our special training!
IT'S A NECESSITY!!
WE DISPLAY OUR INCREDIBLE STRENGTH IN THIS FESTIVAL!
THE KNIGHTS' AWESOMENESS WILL BE MADE APPARENT!!
Right?!
You can see me look really cool!! Don't you want to?
Long ago, they did these activities on the battlefield but,
Lately it's been remarkably peaceful right??
RIGHT!
E
Please don't misunderstand!
Ah
Of course peace is not something you say no to

What were we talking about?
.....
...I believe we were talking about going to the laboratory ...?
That's right!! The laboratory!!
That's what it was, yes, that's what it was!!
...Is he alright? I wonder...
So, about the laboratory...
At the time of the match.
Fireworks are launched!
The laboratory is responsible for all of those preparations,
Because it's a knight's event!

You want to go!
Right?!
Because of that there will be fights and such!
This and that!
"Right?!"
Well,
Even if he says that...
What ...
Just tell me what this "right" is supposed to mean...
SFX:Tap

I CAN NEVER...
UNDERSTAND WHAT THIS DAMN ASSHOLE IS SAYING.
"Damn asshole" ...
Mm...

Well,
There are many reasons for you to attend that event!
I doubt it!
Hey
It's alright isn't it? This time our budget was increased.
Seriously why'd you bring this here?
You know that our budget was cut by this?
You're an idiot
This
This
QUICKLY TAKE THIS AWAY!
Com on! We'll just have a chat
SHUT UP!!
Um...
How did I let him drag me here?
I really don't know how he did it...
Hm...
?!

Ah!
ANGEL!!
I'll be careful after this...
He still hasn't come up with a solution to fight those "ghosts"...
Even though he looks confident
This guy.
Leave it to me!
Don't be like that, Angel! Where are you going?
We should have tea at least
Lante
I am.
Ah
Come on! Sit down please
Lante
Say,
Where is the tea?
I will go and bring back some tea!
Ah,

SLAM
What do I do...
My condolences
You've been trapped quite beautifully
Angel-dono.

I...
I was tropped ..?
You were tropped.
And so easily too.
Just as he said,
You're obediently sitting and waiting aren't you?
Lante could trick someone like you as easily a child would have been tricked.
That guy is
A good liar.
And a genius as well.
You'd better be careful.

..Is that so..?
Yes, it's true.
Perhaps Angel-dono thought of that guy as
Just "A naisy persan wha can da his jab, but is always flap-ping his mauth, being flashy, and making light af everything."
Am I wrong?
..I didn't think of him as "just" that, but..
...He's differ-ent?
Well, At first glance he is that way.
...The fact that you still didn't know, is amazing.

What do you mean...
Ah.
That reminds me, we haven't introduced ourselves yet.
You're famous,
So you probably don't know about me.
No,
I at least know your name.
Ja-
Ah...
That's not it.
Now, now,
You can't call me that.
"Strategist"
I was one of those once.
Please call me "Strategist"

Aruosumente 第9話

Each year, once a year,
I know that fireworks are launched on the night of the festival.
SFX: ZOOM

They've become more dazzling throughout the years
It's beautiful isn't it?
SFX. Boom x2
Our country's technology is quite impressive
It seems so
Last year I watched the fireworks with you as well
...No, more like every year right?

It can't be helped
It's because of the council and His Majesty Really everyone is crazy about the festival
Someone needs to keep watch in their absence
Were you ordered to be the sentry?
No
It would have been better if you went with them
Because even if I don't go to the festival I can still see the fireworks
That and...
I don't like crowds.
A long time ago I was taken there by my father but...
By Kian?
Yes.
But he lost me right away...
Oh...

If we could watch the fireworks here again next year.
Perhaps, that is the proof of peace.
That was...
What happened last year.
SFX: Rustle
So then.
This is all as usual

No tricks or anything... huh?
It's the same as last year huh?
You're complaining, heh
Outside of here where else can you use fireworks?
On broad daylight you can only launch smokeballs.
Mmm...
I wanted to launch the Boom-Boom ones before the match though.
Are you an idiot?
In broad daylight?
That kind of thing...
.....
Is this really something that they must absolutely handle themselves?
Quit it. Stop acting like a kid!
Aren't there other people...

...Eh?
The fire-works
Angel
What do you think?
if they go "Bam-bam!" before the match don't you think I'll look really cool?!
You idiot
Like I said in the day time you can only use smokeballs and they can't really be seen
it's all good. There's still the sound
In that case, they just beat some drums!!
...whatever is fine
...If I say that it probably won't be accepted

Lante
Right before the match
There's this thing?
Yes
There's that
I see
In that case, the fireworks will be rejected
Rejected?
Yes rejected
You probably won't get the OK from the Senate
That sort of thing
But, why?
Because it's 2 o'clock on a public holiday
Eh it's about the time?

I remember that one... quite an experience!
I was scolded for straying from the path
You were only a child. It probably couldn't be helped...
Will that Kian be able to raise a child? I worried about it
Seems like I didn't need to
He did it surprisingly well.
So... since next year we will also be watching the fireworks together...
Shall we spice it up a bit?

Spice it up?
How so?
Perhaps bring some sake*?
I don't drink though
Sake?
Eh?
I don't drink either.
T/N: IS AN ALCOHOLIC BEVERAGE OF JAPANESE ORIGIN THAT IS MADE FROM FERMENTED RICE
SFX: Dun
.....
Sorry...
No alternate plan...?
...I don't really think it's something that needs an apology, but...
Well, That's alright
The unchanging things are also important

The Senate will not allow it cause of their event.
At 2 o'clock on the holiday, there is the "Sentaris." Religious leaders come and offer their prayers at that time.
There have definitely been other cases where similar proposals were rejected in the past.
This time would probably be no different.
Ehhh...
I hadn't realized at all...
So Sentaris is that place, right?
The temple which you have to go pray at once in their lives.
Is it really an such a far away place?
That just shows how important the event is considered.
The religious leaders are few and far between after all.

I see..
Then I guess we can't even have fireworks
I wonder if all loud noises are out of the question?
No. Although each year on the festival I've gone to the Senate...
No noise other than the fireworks are audible
I see
It's probably all right even if you don't worry about things like that
That's because the Senate's walls are high I guess
Nothing can enter inside but the outside noises and such almost all of them can probably be heard
Over the years, other than the 2 o clock time on the holiday, are there any other times that are not available?
No.
It's only the Senate-specific events that are probably like that.
After that everything is normal.
Understood

And the fire-works?
Eh?
Can you see them from the Senate?
?
Yes
I watch them every year from the courtyard.
Is that so?
And do you enjoy them?
Obviously
If that's the case, that's good then.
……
?
Angel.

The laboratory
How is it?
.....
For the time being, I still can't really get used to the atmosphere...
Ahaho!
But,
Although he's strange, he's pretty easy to talk to, right?
I'm talking about...

SFX: Whack
Jasmin ♥
Don't call me by that name.
That hurt-
A little.
I said don't call me that!
Jasmin! ♥
♥
It's a cute name!!
Why not?

Hey
He's an interesting guy right? This Jasmin <3
GUYS THAT CALL ME BY THAT NAME CAN GET OUT!!
If it's in the hall way I'll endure being called that.
But this here is my labora-tory!
GET OUT!!!
It's all right because Jasmin isn't scary even when he yells!
Jasmin Fiorella.
Do you happen to know his full name by any chance?
No
Simply put it's "A woman with the frogrance of flowers."
LANTE!!
They say his mother wanted a girl <3
BASTARD, I'LL KILL YOU!!!

Ah...
It wos probably while I wasn't here
But I bet he said to call him by his title.
In other words... I guess he doesn't want to be called by that nome.?
Please call me Strategist.
Angel should definitely call him Josmin too!
No Definitely call me "Strategist" pleose.
Grin
SFX. bicker bicker
Anyhow here I'll call him "Strategist" to be sofe.
I can't listen to this anymore.
Quit messing around!
How about Josmin Strotegist!!
They're really noisy
Reguna, you idiot!
Yap yap yap

...Ah.
I see.
That might be
Noisy to me, but ..
This is probably how things are between them normally
In the castle, I am the one who has been closest to him all these years
Because of that, he probably wants to have fun with me.
That's how it seems if I look at this from His Majesty's perspective
.....
I should also...
Partici-pate a little...
.....
It's impos-sible.
chatter chatter
I can't think of anything
And it's so annoying

Let's return to the main issue!
So that's enough for now!
Well, well...
It's about time for Angle to leave.
...Tsk
Only because later I'll kick your butt properly
By all means
Until you've had enough!
Now,
Let's continue with what we were discussing earlier.
...Are you guys always like this?
...
Is there anything else?

Hmm...
When we are not working...
It usually is like this
His Majesty also?
.....
Yeah, I guess
His Majesty often comes here
He keeps it a secret from you
Is it something I should not ask about?
I was just being honest
Please don't be angry with His Majesty later
Well it's something like that...

I...
Even though I understand the situation, I believe that you are a person who listens to him
His Majesty doesn't believe this is the case
But
From His Majesty's perspective,
He can enjoy himself without telling you.
I believe that you should know
Since His Majesty thinks this way
.....
I'm opposed to it though

Oh?
I can't trust him.
And I can't read his intentians either.
What merit is there?
Merit ?
I explained this to Angel.
L..
Want ta resaive that "Can't trust" situatian that yau speak af.
.....
That's..
Looks like it'll be an amazing story but...

Lante?
That person
Do you really think that you will be able to change his mind?

...“Force”
So that's where you place me?
Isn't this standard?
It is often said, yes.
But,
Is that really your own “standard,” I wonder?

The Oracle can use members of the public
Perhaps that's it
But beyond hitting on a person at random
I can probably select one by following standards
I see
Because of that,
"The Magician"
...Jasmin Fiorella?
The laboratory researcher?
His image is similar to this one
...Ah
I see...

Lante also gives me that kind of feeling.
But
...Lante Fiirik, hm?
You said before that he was the white horse of the "The Chariot"
You also said he was "The Fool"
And this time he is "The Magician"?
THE FOO
E MAGICIAN
In the book,
It is written that "The Magician" is a trickster.
...Well, if you look at the letter's you'll understand.
Yes.

In other words?
Has he even shown you magic?
Was that what you had in mind all along?
What are you talking about?
About His Majesty.
Forcibly bringing me to the laboratory
If I think about it, what the heck was that?!
The stuff about the fireworks was secondary wasn't it?

No, it's not like that
We hadn't had a proper conversation about the fireworks
His Majesty has been frequently communicating with the laboratory
If the Senate finds out, what will they do?
You can see the problem here, right?
In the Senate I will have to keep quiet and even then I won't always be there
If you were watching in silence,
Our trust was-
Putting that aside, Angel,
Will you also come watch the Emperor's Games with me this year?

You're changing the subject!!
Im not changing it!
Well...
Now you're telling me this...
It will be alright if Angel tells the Senate this
"There is a frivalous and unscrupulous persan"
"That seems to be having a bad influence on His Majesty"
"Because of that I would like to be with him to monitor him and verify his intentions"

Say
That!!
Frivolous...
Unscru-
pulous ?
Yes!
Yes!
If say that, the important Oracle-dana will have access to various places.
And they will most likely bend the rules,
And leave you alone, right?

They'll tell you to conduct regular surveillance on that leader of the knights
So what will you do?
In that case, I believe the Senate would undoubtedly make that proposal
If I did that... If I spread those kinds of rumors, would it be okay?
That's...
In other words, "Come and see" is what you're saying?
Yes, well
That's about right.
But...
Magic is made of tricks,
that deceive people with clever techniques.
"The Magician"
Is a "Trickster"
That can also be read as "The Trickster"
Please believe in me, Angel.

"It suits him, right?"

I'm sorry, Deberto.

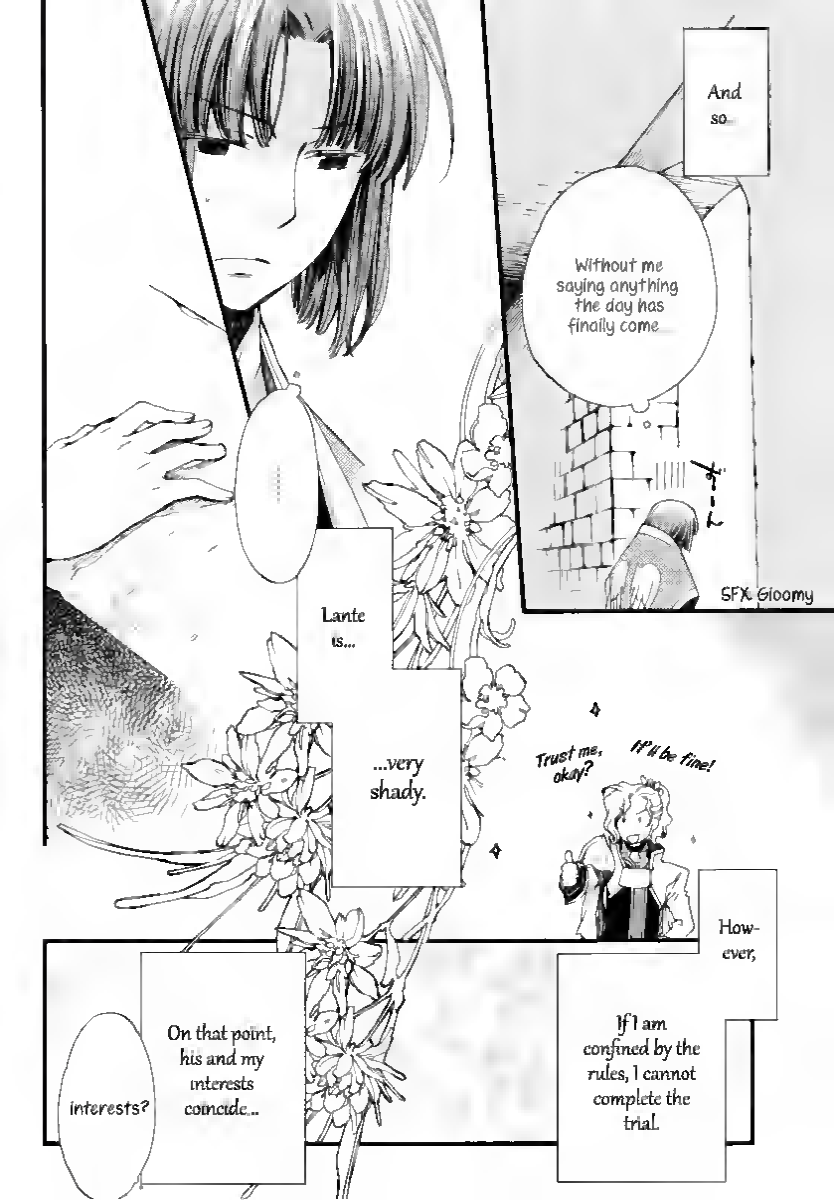
I've decided to go see the festival with the knights this year.

I know this act is against the rules, but for the sake of the Aruosumente, it is necessary.

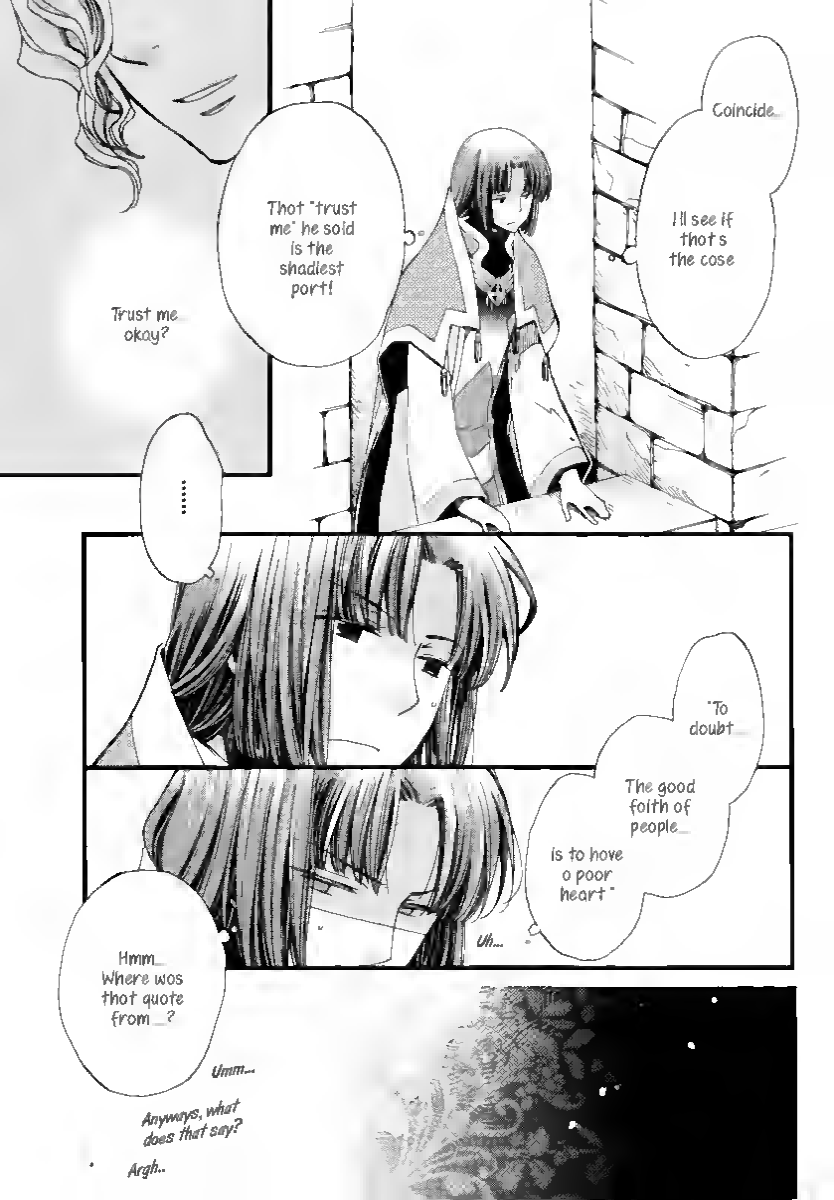
What is it?
Is there something you want to tell me?
Well...
Actually...
About the festival...
I'm truly sorry, but this year...
Festival?
Oh that
You don't need to worry about it.
Eh?
You're referring to
The discussion about how next year we should do something different right?
That?!
Na
That
That is...
I will not attend the Gala.
Like every year it doesn't really matter to me...
Na
About that!

Ha ha ha!
Isn't peace an amazing thing?!
If I can watch the fireworks with you, then I'll be satisfied.
Right?!
It's impossible.
.....
Yes...
I can't tell him.

第10話



And so...
Without me saying anything the day has finally come
SFX: Gloomy
Lante is...
...very shady.
Trust me, okay?
It'll be fine!
However,
If I am confined by the rules, I cannot complete the trial.
On that point, his and my interests coincide...
interests?



Trust me, okay?
That "trust me" he said is the shadiest part!
I'll see if that's the case
Coincide...
.....
"To doubt... The good faith of people... is to have a poor heart"
Uh...
Hmm... Where was that quote from...?
Umm...
Anyways, what does that say?
Argh..

Commander Lante!
Hm?
munch munch
You're eating something again!!
Again?!
Please do your job without touring all the food stalls!!
We've gathered the sword fighting contestants!
If the commander doesn't give the order for departure, we can't begin!
Ah
The order right. Yes, yes

That job is a piece of cake!!
So easy you can do it after eating a snack...
Here I come!
Oh, by the way...
Have you seen Angel?
The Oracle-sama?
No I haven't seen him, but...
Wouldn't he be in the castle today?
Yeah...
I guess...
I tried to invite him for this year's festival but...
Eh?!
YOU CAN'T DO THAT!!
THAT'S AGAINST THE RULES!
Really?
What do you mean by "Really?"!!

Regulations are regulations!
You can't just break them!!
And if the Senate knew that it was the commander that invited him and made him break the rules
.....
Him?
...Eh?

Angel!
You really came?!
I came to see the state of affairs for a little bit
I'll return soon.
Soon you say...
I wasn't able to convey anything to Deberto.
I ended up promising him that we'll meet tonight as usual.
And before that I have preparations to do and several things that require my attention
So if I don't return soon, the time will
It's alright!

If it's Angel, those documents...
Like a robot!!
WITH THAT SAID, LET'S GO GIVE THE ANNOUNCEMENT FOR RITA・RINA!!
Ah!
Will only take a few minutes!!
Dash!
Let's go!
GRAB
Com-mander...
The rules...
Sigh...
SFX: Clang

THAT'S IT!
GET HIM!!
YES!!
ALRIGHT! IT'S TIME!!!
YAY!
WOOHO!
This year, the level of the Block Knights fighters is high
Did someone good enter?
Well around half a year ago there was a person who wanted to exchange blows with the Nero Tararudo...
That's certainly a daring move...
And?

It ended with him having his bones fractured in three different places.
That's good.
Wah, that sounds painful.
This way other soldiers will learn from his example!
That's what I think too.
WINNER—
He looks like a good leader.
Tell me his name later.
And then—
Lante! Good timing!
Deliver the sake to the Black Knights dressing room.
Yes, understood.
I'll go right away.

...WHA?!
WHOA.
REGUNA?!
WHY, HERE... WHA...
Uhm
A series of events
That is...
WHAT SERIES OF EVENTS...?!
Really how did this
Ah
It was me
I brought him

Lante
You...
Isn't it good?
It's the long-awaited festival and only Angel is always absent. It's so pitiful.
I don't really think it's pitiful...
Of the council members, only Angel is left out. It's so mean!!
That's true, but
So because of that you...
Is that... it...
Just to see the festival. That's not intervening in the military affairs, right?
If this kind of thing is to be considered intervention, then the entire population is interfering in the military.
You're all right with this?
.....

If you ask me whether it is good or bad...
No matter how I think about it it's not good
If that's the case then...
But...
I think that it's that bad either...
In my case...
Because I don't know much about the outside...
And of course things about His Majesty's research as well.
If I could,
stay a little more, I would also...

WINNER!
THE DEPUTY COMMANDER OF THE WHITE KNIGHTS,
RITA RINA!!!
TAKING OUT FIVE PEOPLE AT ONCE!!
She's really strong after all
But this year the Black Knights have earned a lot of points up until now
So we won't know until the end.

It's like this every year.
With this part of the sword
She takes them down with a single strake
No matter how many paints the Black Knights have accumulated, she fights an
AND THAT'S IT!
THROUGH HER FOOT-WORK...
6 PEOPLE HAVE FALLEN!!
That was without the sword!
Oh— As expected—

The armar...
It's partially fallen off...
Is that really alright??
Well it's prabably fine
All of the knights train so they're really sturdy!
Ha ha ha!
If I took at you, I can't tell at all...
Ah, is that so?
That's because I don't really train.
SFX. Cheer SFX. Thud
Oh...
7 people down! Amazing!
So strong...
???

Is it okay?
That s
It's okay!
Lante!
Come here o sec
Sure!
.....
Come to think of it
Paruteen!

Yes
What is it?
When is the match in which the Nero Toraruda appears?
Isn't he in one of the sword fights?
The Nera Tararuda?
He doesn't appear in any of the matches
What?
Even he has been injured?
He hasn't been injured.
It was decided that he won't participate.
Now that you mention it, Lante also doesn't appear
Is there a rule that the knights commanders can't participate?
There is no such rule.

Who-??
"Whenever a commander gets beaten black and blue by novices, it's embarrassing, so please don't fight" ...That sort of thing
Lante doesn't appear because he took the advice his knights gave him
It's understandable that you would think like that.
And yet he's still a commander
He wasn't joking!!
That's because I don't really train!!
Don't train... Don't train... Don't train
Echo
However... If he's really that weak...
Some people think that...
It's because he's slacking off.
One can only hope as much
One wants that to be true.
It seems so...

Then
In Dante's case?
In his case, it's the complete appasite
He can't hald back. Dazens af casualties resulted fram the mock battle befare the matches.
Since then, an this day every year, he is ardered to stay hame.
Casualties
It's like the story from ten years aga.
Because the Nera Tararuda is "The Chariot"
If it gets laase,
EVEN THE DRIVER HIMSELF CANNOT STOP IT.

Rucetta.
SFX: sssshhhhaaa
What is the current situation
At this pace, it'll be about a half an hour until we reach camp...
Should we take a break?
No, it's fine.

It's really pouring
Your horse is getting cold
We'd better return quickly
Klan also seems to have it pretty bad
No
With me
There's nothing
SFX. shake
?
What is it?
Why all of a sudden
SFX. tremble tremble

...In a place like this?
I don't know
But there is something here.
Is it...
An ambush?
ァァァァァ
There
Inside those bushes
Please get behind me, Your Majesty
Who is it?

I know that you're in there
Show yourself
KCHINK
..He drew his sword
Is it only one person?
—If you won't come out—
Then I'll come to you.

...?!
...A CHILD?!
Why is there a child in a place like this
Your Majesty It's danger-ous!

He's giving Rucetta a hard time...
That child is very strong
Who is he?
.....

Hm?
Why is that...?
...?
That child...
No matter what direction he attacks in he always returns to that stance
Ah
I also noticed that
Perhaps there is something behind him
Something..
That he is protecting ?
What is it?
Hmm...
I don't know

Yes...
As if he were more than human
Nevertheless... He is strong
...You
You can hardly stand...
Where did you come from?
.....
Are you deaf?
.....
What are you hiding?
Behind you...

...In that case
I'LL FORCE YOU TO SHOW ME!

8 PEOPLE DOWN!!
8 PEOPLE?!
THAT'S AMAZ-ING!!
Hey That is...
Isn't that the Black Knights Com-mander?
Eh? Where?
Just now, right there...

The Nero Torarudo doesn't come today right?
That's how it's supposed to be, but...
Guess it was my imagination then
That aside let's hurry up and get going.
The match will be over soon!
Got it.

.....
Blood.
I can smell it.
.....
Whoa... Your face looks absolutely terrible, you know?

Are the preparations for the fireworks all finished?
Oh.
Jasmin!
Yes, well mostly...
Ugh.
What's going on with THAT?
It's fine...
I'm okay
Are you alright?
..So what's up with that?
The smell of blood makes him sick and such..
Blood?
Because those who were injured in the matches are nearby...
Huh?
It cripples him to this extent??
What a weak—
WHAT DO YOU MEAN?!
IT'S COMPLETELY REVOLTING TO WATCH!
UGH.
Shall we return to the castle? Angel...

Ugh
If I were to do that... I'll look even weaker
I'll send him off to the castle first then
See you later Jasmin <3
DON'T CALL ME JASMIN!!
Kian was at least a bit better than this, Reguna
It's impossible to compare the two Your Majesty...
So what's going on, Jasmin?
Ah.
That is...
.....
Is His Majesty okay...
He seems normal...
Angel are you alright?
I'm sorry I didn't realize that the smell of blood would make this happen
My apologies it was my own carelessness
This really isn't something that you need to apologize for...

My father
Was most likely calmer than this huh
He was prabably mare com-posed toa
I guess.
As an Oracle he was at that level, but...
Never mind...
Eh?
So was the match okay?
The match...
I was surprised because that waman was much stronger than I thaught possible
...Speak-ing of which
Aha ha...
I was laaking forward to seeing your brather's match but...
Huh?
I guess there isn't any such match
It's too bad.
Ah...

Did he come today...?
No.
That never happens...
He's probably stronger than Rita Rina
As I understand it, the difference is quite considerable
Well, I've had enough for today anyway
Because of the smell
.....
Is that so
If Angel gained anything from it, then that's good!
Yay!
In my case,
I want to resolve that situation.
That might be all he thinks about, but.
That fool..
It's unexpected
Perhaps his sincerity is real.
What That's...
That's because the one who is responsible for "making Angel and everyone else become friends" is me!!
....
Why are you so happy?

DIE!
He's...
I thought that he was pretty suspicious, but...
I really can't tell if he's lying.
...Rather,
I'm probably too impatient with him
But he's so carefree!!
La La---
La---
Friends
Woohoo---
Friends
La---
Whi---stle
Happ---y
La la---

...Hm?
Huh?
Weird
It's not noisy at all?
Is the match over?
No This is...
COMMANDER LANTE!!

TROU...
THERE'S TROU-BLE...!!
TOWARDS THE TOWN... ALL OF A SUDDEN...
THE NERO TORARUDO HAS...!!
RUN!!
TO THE CASTLE!
!!
RUN TOWARDS THE CASTLE!!
Com-mander!!
We've been waiting!
Is the match over?
Yes.
Good
What's the situa-tion right now?

About that... I also...
Anyhow he suddenly went berserk.
For the time being, all of the real weapons from the surrounding area have been removed.
Because all that remains are wooden swords and sticks, there have not been any casualties
We've instructed people to run towards the castle
Got it.
Thanks for the timely judgment
What's going on...
"The Black Chariot"
Has gone out of control!
!?
"The casualties were..."
...Doesn't he stay at home...?
He's supposed to
That's strange
Out of control...?!
Rita.
I'll take it from here.
Get everyone to the castle.
Understood.

"That's strange" you say...
Saying that so nonchalantly right now is...
Ah, Angel, please don't move around
The current Dante cannot distinguish between enemies and allies...
He targets anything that moves...
Ah
But...
There's something else...
Since Dante loathed Kian-sama...
Those wings of yours might be targeted
.....
If he can't distinguish between enemies and allies...
Aren't you also in danger...?

Angel
You really don't know anything huh?
Didn't you hear anything from Kian-sama?
...My father...
Since he died so suddenly...
He never really...
So that's how it is, huh?
Angel...
Why do you think that Dante and I were made the commanders of the knights?

Lante is...
Because of strength?
No, it can't be...
...That s..
First of all
Do you believe that one person can really kill 300 people?
It is not something that a sane human being could accomplish
Just imagining the smell of the blood of 300 people is enough to make you vomit...
Urgh.
But...
That number is not an exaggeration
Step
10 years ago...
At the Fin Field Border..

DANTE AND I ...
WERE SUPPOSED TO DIE...
According to Kian-sama's plan.
In a situation where that many soldiers came, would you normally send out two children and then retreat?
...!
Most likely.
The scenario that Kian-sama envisioned was something like this
"In order to protect my comrades..."
"Put the boy genius swordsman to stand outside of the gate to the fort."
But if you think about it rationally doesn't it make sense?
It can't be...
For 300 enemy forces?

"That way he can stop the enemies"
"In the face of 300 enemies he will regrettably be defeated"
"However because of his beautiful sacrifice his name will be spoken of as A Hero."
...When in reality they were just stalling for time
However, that plan was thrown off.
The child that was supposed to die, did not die.
But...
He became a threat to neighboring countries
And his name went well beyond being remembered as "A Hero," and instead became the name of "A Legend."

The price is as you can see
He loses his sanity hearing the cheers from the festival
And loses control at the smell of blood
Well he's mostly alright though
Today is,
Just a bit more difficult...
...My father
Utilized these kinds of tactics?
Yes
It can't be...
I believed that your policies were very similar to Kian-sama's
Because of this, even now, the knights are wary of the Oracle
However...

It's no good.
I can't avoid it.

Dante
It's me.
That day...

In the biting cold and freezing rain
Occasionally faltering as he trudged on
Perhaps
If they saw that scene, everyone would think so.
Yet even then desperately protecting something behind him.
That thing must be exceptionally special and worth treasuring.

DAMN IT!!
LET GO!
I'LL KILL YOU!!!!
He's so noisy
...You'd think he would've reached his limit by now
DAMN...
His hands...
They're like ice
What is it?
...
Another child?

LANTE !!
DON'T TOUCH HIM!!!
STOP YELLING ALREADY!
He's cold
Is he already dead?
No, he's alive
But if it continues like this, he'll probably die soon

If you travel 30 minutes this way you'll find our garrison
If he is left alone like this, he'll probably die
Should we bill the medicine to you?
If you go there is medicine and also food
We can save his life
How about it?
Shall we make a deal?

It's hard to put my hair back in the same place!
Reacting like that seems a bit much

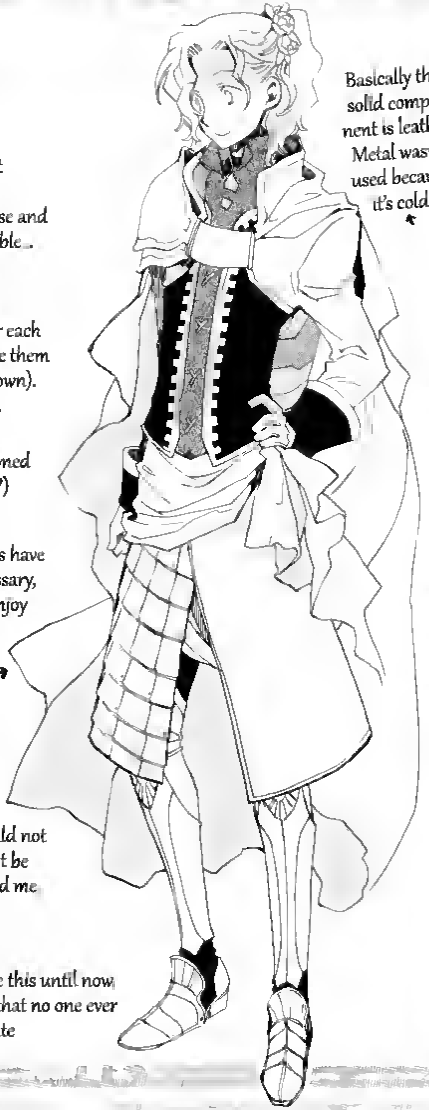
Lante



These are the clothes that I decided on.
Actually, I looked in a warehouse and chose ones that seemed suitable..
Aren't they fitting?

I put these flowers in my hair each morning (Sometimes I receive them from the girls in the castle town).
It's because I'm popular.

I'm known as the self-proclaimed "formerly beautiful boy" (?)

Anyways, although fighting does have its merits, it is not always necessary, so I mindlessly indulge and enjoy myself every day.

Truth be told, this mantle is really durable. It probably uses around 5 sheets of cloth. ;-)

These clothes are plain and "could not be distinguished, so they must be color-coded." As Rucetta advised me

Lante is white
Dante is black
And the habit has continued like this until now
"Although it's been so long now that no one ever mistakes us!" - Lante

Basically this solid component is leather
Metal wasn't used because it's cold.
